Description

We offer for sale a cozy and bright one-bedroom apartment in a completely reconstructed house in Teika area.

Very convenient location, near Brivibas Street, the most central street of Riga, public transport stops are nearby, Riga center is within incomplete three kilometers. Developed infrastructure - shopping centers ALFA, DOMINA, Elcor Plaza, schools, kindergartens, gym and a medical center. Excellent transport links, including public transport.

The project is situated on an enclosed territory, with parking place and children playground. Each apartment has a storage room in the basement floor.

The apartment is sold with full finishing. It is located on the 2nd floor of the building, is 50.6 m2 in size and has 2 bedrooms, studio living room and a bathroom.

Please contact us for more information about the project and available apartments in it.
