Description

The centre of Riga City impresses with its historical buildings and narrow cobbled streets. Walking along the quiet and picturesque places, you can feel how the past successfully resonates with the present. If you are pleasing to this city, you just have to purchase the real estate in Latvia. We offer luxury apartments in the most exclusive area with a magnificent view of the River Daugava. Just imagine how you will wake up in the apartment of your own, whose windows open onto the centre sights of this wonderful city.

We would like to bring to your attention the modern and luxurious apartments in Riga City. Three-room apartment is located on the second floor. By becoming the owner of this foreign property, you will get a private parking space. The building of the house of retro style is located in one of the most promising areas of Riga City. You at once will find yourself in the centre of all the most popular and important events. All the required elements of infrastructure are located at a walking distance. The windows of each room command the picturesque views of the river or historical building of the capital of Latvia.

The large living room impresses with

its area. The balcony donors give you the opportunity to admire the beautiful views of historical part of Riga City. You can watch the active life in the port or nearby sights. The proximity to the central part is perfectly combined with required natural resources. Not far from your house you will find the most interesting places for rest and pleasant pastime. In your own apartment, you can organize excellent areas for relaxation. The layout provides for two bedrooms, in each of which a large bed and an area to accommodate all wardrobe items will fit in.

The interior design is made in light pastel colours – thus there is an unlimited potential for decoration the entire room in a modern style. The comfortable stay in this apartment is guaranteed by the floor heating system and a separate room in the basement for storage of belongings. If you wish, you can equip a large fireplace in the living room, which will warm you and all family members in cold evenings. If you do not know how to apply for a residence permit in Latvia – we will help in obtaining all the necessary documents. This will be the most successful buy in your life.
