Description

The building is located in the prestigious embassy district of Rīga, near the Ring of Boulevards, Old Rīga, the dock for passenger ships and the Rīga Yacht Club. Nearly all of Rīga's major entertainment, social and cultural institutions are a short walk from the Aleksandra Apartments. A 20-minute drive will get you to the seashore town of Jūrmala and to the Rīga International Airport.

The architectural concept of the complex involves two buildings – the facade building, which was built in 1900 and fully renovated in 2010, as well as the newly built internal structure. The facade building has nine family apartments, two studio apartments and two mansard studio apartments with open terraces. The internal building has 24 modern open-plan flats, including six with terraces. The buildings are connected by a platform that is of an original structure and also serves as the inner courtyard of the building. Aleksandra Apartments was built by the best specialists, who used the most courageous and unexpected solutions, innovative technologies and contemporary materials.
