Description

We offer a new, compact house located in Riga, Bukulti district, on the shore of the Baltezers-Kishezers-Yugla Canal (200m from Lake Baltezers).

The property has a plot of 1200 m² with a coastline. The shore is fortified, equipped with a bay. The site is situated on a dead-end road, very quiet location.

House layout:

1st floor - living room studio type with kitchen, bathroom, utility room.

2nd floor - 2 bedrooms with own sanitary units and a balcony.

If necessary, it is possible to easily increase the area of the house by 100 sq. m, using the foundation (now used as a covered car parking place).

The house has high-quality thermal insulation and economical gas heating system.
