Description

We present a wonderful rental opportunity in the very center of Riga!

Stabu street is the central street of Riga. This location provides the most convenient ways to get to the place - by car, public transport, scooters or on foot. There is public parking next to the building. The surrounding area is full of cafes, shops and cultural centers.

These spacious premises, located in a beautifully restored building, have 3 rooms. With a recent renovation that has breathed new life into every corner, these spaces create a fresh and lively atmosphere. The premises do not have a kitchen.

Since the premises are rented unfurnished, you can customize them to suit your needs and bring your own unique touch to the space.

Immerse yourself in the charm and convenience of the center of Riga in a renovated historical building.
