Description

Miera Residence apartment complex includes 67 apartments and 4 commercial premises. It offers one-, two- and three-room apartments with a total area from 30 to 100 sq. m. All the apartments come with full interior trim. Apartments are available with full interior trim. The bathrooms and kitchens are tiled. Fully built-in plumbing. Complete electrical installation works. PVC windows installed for the entire building. The building has two lifts, a storage room, and a gym for residents. Parking spaces are available in the building courtyard.

This area is often called "the near centre" and it has two great advantages. Diverse infrastructure with good transport connections, as well as a peaceful environment and greenery.
