Please feel free to contact us for more information: plans, pricelist of apartments available, terms and conditions or any others related!

Lumiere Residence is more than just a building. Built in 1910 by famous German craftsman Arthur Medlingers project. Art Nouveau-style building today is a global monument and historical center of Riga has been implemented in the UNESCO world heritage list of culture. In 2013, this unique example of Art Nouveau architecture experienced another revival: renovation was carried out, allowing the building to save the historic charm and provide comfort to its citizens, provided by the modern technology.

Lumiere Residence is an unique architectural and atmospheric building that is located in the quiet center, which is known all over Europe. There are great restaurants and cafes. Near are parks and gardens with beautiful canals and ponds with beautiful gazebos and fountains just a few minutes away from tourists so tempting Old Town and

embankment with nautical clubs and beloved the bohemian Andrejsala. Quiet and relax atmosphere that is at the heart of the cultural and economic center of the largest metropolitan area in the Baltic what makes a comfortable, cosy and prestige living in Riga.
