Description

The house Sorbus, which is located in a complex SKY GARDEN, we offer you for short-term rent an apartment, which is fully furnished and equipped with all that is necessary for stays of 1 to 6 people. Two-bedroom apartment on the third floor with a roof terrace. Living area 83m² - 1 bedroom with double bed, 1 bedroom with two single beds and living room - studio with kitchen. There is a fireplace. The living room is a 2-seater sofa. There are two bathrooms - with shower and bath. Equipped terrace with total area of 91m² with outdoor furniture. For a comfortable stay there are everything that you need: kitchen appliances, dishes, linens, towels, hair dryer and iron. Amenities include a flat-screen TV with cable channels. Additionally available services Concierge Service.

Apartment SKY Garden Jurmala 14 located in a residential complex in a quiet area of Jurmala, 9 km from the Dzintari Concert Hall. The beach with a beach cafe is just 500 meters away.

The project "SKY GARDEN" is located in a quiet part of Jurmala - 53 avenue Asaru, Asari, a picturesque area surrounded by green pines and birches. Nearby is the National Rehabilitation Center Vaivari that is modern, technologically equipped and a professional medical center and offers multifaceted opportunities to improve their health and enjoy a relaxing massage, a power shower, pearl bath or a dip in the mineral pool.

Two minutes walk from "SKY GARDEN" on the quiet, well-groomed Gaydas street and you are on the beach where you can enjoy sunbathing and a dip in the cool blissful life-giving sea water, walk slowly along the coast or to assess the benefits of outdoor activities, playing beach volleyball, riding pedalos, and thrill seekers can compete with the wind and the sea, windsurfing or kiteboarding. A 10 minute walk from "SKY GARDEN" is a railway station Vaivari with which you can quickly get to any large city in Latvia. International Airport "Riga" - 30 km, to the center of Riga - 35 km.
