Description

A unique opportunity to live in a new high-class apartment that no one has ever lived in before. The apartment has its own unique features in many things, such as panoramic views of the river Daugava and the Old town, and also has a very good layout for those who like bright and spacious rooms.

The apartment has 4 bedrooms.

The building is brand new and equipped with the latest technologies (for example, individual ventilation system in each apartment, Underfloor heating in the entire apartment, camera panel in each apartment, etc.). Only high-quality materials were used in the decoration and interior of the apartment. Concierge services are available around the clock and seven days a week.

Double Parking is included in the price.
