Description

A 3-storey duplex townhouse is available for sale in the new development IMANTA GARDEN. Townhouse has its own garden and a separate exit from the terrace to the inner courtyard. There are 2 balconies on the 2nd floor

On the ground floor there is a spacious living room combined with a kitchen area, laundry and utility rooms, as well as a double garage. On the second floor there are four bedrooms, two balconies and two bathrooms. On the third floor there is a 30m² lounge room with 50m² terrace.

From the side of the closed courtyards there are large double-floor windows. Thanks to this architectural solution daylight penetrates the room and naturally brightens the interior.

Townhouses are available in grey, white or full finish.
