KALPAKA PARK RESIDENCE at Kalpaka Blvd 7 is both an apartment house and an office building located in the so-called boulevard circle of Riga, which is characterized mainly by its art nouveau architecture. The building consists of two parts — the „old” building was designed by the well-known Latvian architect J. F. Baumanis in 1874-1879 in classic style. In 2004 reconstruction of the old building and construction of a new wing were completed. Today there are 34 apartments and offices for rent. A Concierge staff and variety of services are offered to ensure the comfort and well-being of our tenants.

Apartments and offices are available in this handsome building. Total leasable area – 2,976 sqm.
