The apartment has 3 separated bedrooms, 2 bathrooms, living room combined with a kitchen. The design of the building reflects the cosiness, sunlight and energy of the tree-warm colors and harmony of natural materials. Apartment has a terrace and balcony. View from the windows on a quiet and green courtyard, as well as on the developing area of modern houses on opposite street. The apartment is fully furnished - beautiful modern furniture with all the necessary appliances! Apartment got balcony 8m2 and terrace 16m2

A well-thought-out infrastructure for access to the hubs of urban communications and bridges, schools and kindergartens. The Old Town is located in a walking distance, nearby are 2 large parks for walks with summer tennis courts and children playgrounds.
