Description

House on the shore of the lake with its own pier.

On the ground floor there is:

- spacious living room
- kitchen
- guest bathroom
- guest room with private bathroom

On the second floor there is:

- master bedroom with its own bathroom
- three separate bedrooms
- bathroom

On the second floor, there is also a large terrace overlooking the lake, where you can watch a stunning sunset. On the territory there is a gazebo, a bathhouse with a place for guests and a spacious dining room.

The house has its own spokes, spring water from the quarry, a warm dry basement, which used to be a gym and a billiard room, gas heating, and underfloor heating on the entire ground floor.
