The new residential complex PARK ALLEY located next to the historic embassy area of Riga, with the downtown nearby. The name of the street – Rupniecibas street - says for itself that historically there has always been a significant industrial area. Nowadays, considering the place's closeness to the city historical centre and the reconstruction made in this area, the place has become a favorite dwelling place for many people with high demands to the dwelling place, environment and conveniences.

PARK ALLEY residential building is situated near Viestura Garden – one of the most beautiful parks of Riga, just in ten minutes' walk from the Old Riga. There is a RIMI supermarket and a sports club "Reaktors" next to the building. Walking through Viestura Garden it is possible to reach Andrejsala where there is a yacht wharf and a center of modern art and culture that has already gained the status of a cult place for artists of the young generation. Rapid development has been planned in this part of the city for the nearest couple of years, which will turn the place into a comfortable and exclusive area.

The new residential apartment project PARK ALLEY offers a comfortable and well-considered layout, combining aesthetic and functional features by using advanced technologies and high-quality materials for construction and interior decoration of the apartments. Area of the apartments from 40 sq.m. (studios) up to 135 sq.m.(penthouses). Almost each apartment has a balcony or a terrace. All amenities, two elevators. Car parking spaces are available for

rent.
