Description

Quiet neighborhood of Riga on the right side of the street Brivibas between Mežciems and Purvciems. Is one of the greenest areas near the center mainly composed of private homes. Compact and green area of private houses (mostly built before 1940) with quiet streets. Convenient location gives you the opportunity to get in a few minutes into the city center. The name itself came in 1937, when was opened cinema «Teika».

Nearby, yet not quite at the footstep, there is a public transport route, including Riga's fastest mode of transport – the tram. In close proximity, you will also find shopping centres, schools, children day-care centre, a 24-hour pharmacy, as well as places for entertainment, doing sports and other recreation.
