Description

We offer for sale a spacious 2-level apartment with complete finishing. The apartment has 4 rooms, 2 bathrooms, balcony. It is equipped with high-class kitchen AEG equipment. First level has warm floors. There is a personal entrance to the garage from the apartment. The price includes also storage room on the basement floor, as well as parking place by the house.

The apartment is located in Adazi, very quiet and green place close to a river. Nearby a kindergarten is located.
