A low-rise block for energetic and successful people — fully finished and furnished apartments with utilities, they are equipped with household appliances and ready to welcome dwellers.

Each apartment has a balcony or a spacious terrace. Smart Home technology and individual records of heat, electricity and water consumption allow optimal saving on utility payments. Remote monitoring of all counters is available. An independent ventilation system is provided in every apartment.

Panoramic and bright windows reveal a view of a quiet street hidden from the hustle and bustle of the city. At the same time, you remain in the heart of the city's life because Cesu Street goes parallel to the main street of Riga — Brivibas Street — and within walking distance, it has everything necessary for a full life: schools and kindergartens, shopping malls, restaurants, beauty salons and shops.

In this offer you can see a spacious 4 room apartment, located on the 5th floor of the building. Cozy living room is combined with a kitchen and has an entrance to the balcony, 3 separated bedrooms, 3 bathrooms (one of them with a bath). Apartment has wonderful terraces with size of 55 m².

The place on the underground parking is offered for additional fee of 80 euros / month.
