The apartment is located on the third floor. The Windows overlook the facade of the house on Rainya Boulevard and Valdemara streets.

The apartment has two isolated rooms and two walk-throughs, as well as a separate kitchen and two bathrooms.

The advantage of the apartment is the central location, a large area, two parks across the street. There are various shops, cafes and restaurants nearby. There are public transport stops nearby.

The apartment is unfurnished, but it is possible to discuss the installation of furniture from the owner. The apartment is rented for a long time.
