Description

Exquisite, modern classicism French Riviera style house located just few meters away from the seaside. The façade of the house is adorned with huge glazing windows and exquisite architectural details. The area around the house is beautifully and thoughtfully landscaped and lighted with garden lighting. The house has all city communications and gas heating system. The highest quality materials are used in the interior design. The house is planned to be put into operation in the winter of 2022. The layout of the house is very practical and functional with three bedrooms, four bathrooms, three wardrobes, a bright and spacious living room, kitchen and cabinet. On the basement floor there is a gym, sauna, lounge, garage and technical rooms.
