Description

Section of a terraced house with its own terrace and a plot of land with full interior finishing.

Convenient transport links. To the center of Riga - 20 minutes, to the shopping center "Spice" 8 minutes by car. The house is offered with a full interior finish, with parquet floors and sanitary ware, which can be installed at the request of the client. During the construction and decoration, light colors, high-quality materials, and new technologies were used.

Layout - a spacious living room combined with a kitchen and utility room, three bedrooms and two bathrooms. The useful area of the house is 125 m². There are underfloor heating throughout the house. Each section has its own water-knitting needle, bio-sewerage, heating - a heat pump. The front yard of the house will be paved with paving stones, where you can leave the car.
