Description

Great, recently renovated 50 sq.m. commercial space for rent in a historical building in the center of Riga. This place is perfectly suitable for a shop. Some additional investments will be required from tenant's side if the business is a cafe or a restaurant. The premises have been just renovated - new flooring, freshly painted walls, a sanitary unit and ventilation system have been installed. The tenant will have to connect the ventilation and sanitary unit. The place has a gas heating and low utility bills. Free parking space is available at the backyard. Rent doesn't include utility bills and VAT.
