Description

2 bedroom apartment for sale in the new project FUTURIS, located in the center of Riga, on Antonijas street.

The house is located in a quiet center, everything you need is nearby - restaurants, theaters, museums, schools, shops, etc.

The apartment is located on the first floor, in a quiet courtyard of the project. All windows and a large green terrace are located on the sunny south side. Rational and convenient layout of apartments will make life in the center of Riga convenient, comfortable and cozy. The apartment has a comfortable free layout - between the bedrooms there is a living room with a kitchen. The apartment is fully furnished and ready to move in. There is a built-in kitchen, oven, dishwasher, wall cabinets, plumbing installed, heated floors in the bathroom, bathtub, heated towel rail, washing machine, furniture in the bedroom and living room.

Modern and carefully selected materials of the highest quality and the latest technologies were used in the construction of buildings and decoration of apartments.

For the convenience of the residents, there is a spacious two-level underground parking with special rental conditions for the residents of the building.

Inexpensive utility bills - in summer the average bill is about 100 euros, in winter - 250 euros per month.
