Description

We offer for a long term exclusive apartment with a view of Old Riga. The apartment has four panoramic windows overlooking the Riga Towers and the Presidential Palace.

The apartment will suit people who appreciate privacy, proximity to the center, as well as space and peace provided by the view of the Daugava. New premium-class project - built with the highest quality materials.

Brand new apartment, the design was created by a designer using quality furniture and original interior items. The color scheme is in beige and light gray tones, creating a calm and comfortable atmosphere. Ergonomic, bright, cozy, compact apartment.

Fully equipped:

In the kitchen - induction stove, oven, quality hood, large refrigerator, dishwasher.

In the bedroom - new bed with quality mattress and mattress pad. Acoustic panels that muffle the sound. Light- and sound-absorbing curtains.

In the living room - sofa bed with armchair and coffee table.

In the bathroom - shower, toilet, sink, washing machine with drying function.

Spacious closet in the hallway.
