Description

A beautifully designed fully furnished one bedroom apartment in one of the most prestigious residential projects in Riga is offered for sale! The apartment is with full interior finishing, with built-in kitchen appliances and high-quality plumbing. The apartment consists of a spacious living room with kitchen, a bedroom, and a glazed balcony. Underground parking space for 1 car is included in this offer. All amenities.

The residential and business complex "Panorama Plaza", built in 2007, is located in the junction of the main traffic arteries of Riga, providing a convenient connection to the city centre, the resort metropolis Jūrmala and Riga International Airport. This is the most appropriate project for those residents of Riga for whom the capital city is just one of the many points in their fast-paced daily life.

The first 26-storey high "Panorama Plaza" building has three high-speed elevators. The building has a fire alarm and smoke exhaust system; each apartment has individual smoke detectors installed. Residential area is guarded, entrance doors can be opened only with a security code, and each apartment has a built-in video intercom. Security cameras are installed, and the building has on site guard 24 hours a day. "Panorama Plaza" has green surroundings and two children's playgrounds. The business and shopping centre located in the "Panorama Plaza" complex is a pleasant place for residents to do their shopping. For your convenience, one of the most prestigious shopping centers in Riga, "Spice", as well as sports and recreation centre "Bowlero" are located next to the "Panorama Plaza".
