Description

The project is located in the quiet center of Riga, in a green area where peace is not disturbed by active traffic, at the crossroads of Zaubes and Vesetas streets, opposite the Rietumu Banka building, and is a real find for business people. The nearby located Olympic Center and Arena Riga provide excellent opportunities for your pastime, for everyday needs - the nearest supermarkets: Rimi, Maxima, Sky and More.

For the safety of the residents of the house in the common areas CCTV cameras are installed.

The apartment is situated on the 3rd floor of the building. It has high ceilings - 3 m. High quality materials used in the design of the apartment, including installed kitchen with all appliances.

A parking place is available for 20 000 Eur additionally.
