Description

Jurmala – the largest resort city in the Baltic States is well-known for its natural treasures – the mild climate, sea, healthy air, curative mud and mineral water. The attraction of Jurmala hides in its almost 33 km long white sand beach, the large pine forest and the natural border of the city – the river Lielupe. In Jurmala, You will discover a combination of charming wooden houses built in the beginning of the last century and modern resort buildings. In all seasons resort city Jūrmala offers wide range of leisure activities. It is a perfect place not only for swimming, playing volleyball, football, handball or frisbee at the beach, but also for exercising, Nordic walking, kite surfing and windsurfing, water cycling and water motorcycling. Children can play in special beach playgrounds, but those who like cycling may enjoy Jūrmala by cycling along the beach or on special bikeways, where you can see the marvelous wooden architecture. Also during the ride you will breathe fresh and healing air that is made up by the forests and parks in the city of Jūrmala. The forest park Dzintari is a paradise of activities for every child, where are playgrounds for different ages, skateboard and basketball fields and also specially made trails for those who like to ride with roller-skates. Enjoy water activities all year long in a water amusement park "Līvu akvaparks", where you can swim in different swimming pools and slide down through the different speed water tubes. Also in summer there is a special summer area in the aqua park. Aqua park "Nemo" also offers sliding down the water tubes, but only in summer. In Jūrmala there are different swimming pools available with different kinds of water - ordinary, warm sea or medicinal mineral water. Jūrmala is proud of their indoor and outdoor tennis courts that cover 40% of all tennis courts in Latvia.

Great location, only 300 m to the sea.
