Description

For sale beautiful apartment in a terraced house, located on two floors, which includes: three separate bedrooms, a spacious living room and a kitchen equipped with a reliable built-in appliances "Miele", "AEG". Economical gas heating. Comfortable sauna with rest room and shower, with access to the private area (in summer - a well-groomed green lawn). Garage for two cars with automatic gate. Each floor has its own bathroom. And all this is on the territory of the picturesque park area in a quiet, peaceful place. The house and its surroundings are fenced with reliable fence, which makes this place even more comfortable and cozy.

Zolitūde is located near the centre of the city - just a 10-15 minutes drive. Jūrmala highway is also close by - the same 10-15 minutes by car. En route you can make use of different services available - gas stations (STATOIL, VIADA, TREST), cafes and restaurants (PICA LULU, Mu Mu). The airport is quite near, so you can get there conveniently whenever you need to. Nearby there is a school, kinder gardens, shops, restaurants though you feel like living in country side.
