Description

A newly built unfinished single family detached house located in Baltezers – one of the most prestigious private villas residential areas just outside of Riga. The neighbourhood features variety of outdoor entertainment possibilities to explore the surrounding natural landscape.

The house is in 2 floors, built from concrete blocks. Electricity and water are connected, gas connection is available. The house has biologic sewage.

It is also possible to rent or buy a neighboring land plot up to 5000 m², connected straight to the bank of the lake.
