Description

House with a total area of 350 square meters. m, located on a quiet street of private homes in the vicinity of the forest in the village of Pinki.

Well-maintained infrastructure Pinki village, thanks to its location, (6 km from Riga, 8 km to the airport, 5 km to Jurmala) today is the most functional and infrastructure in Latvia.

In the neighborhood there is everything necessary for comfortable living:

ISL International School (International School of Latvia), Latvia High School, French kindergarten, music school, swimming pool, ice arena Inbox, Golf complex, skateboard park, professional football field in the open air. And so the same near a beautiful lake with a small beach, water sports school skiing.

All this attract here the current generation of Latvian and foreign businessmen, ambassadors and educators.

The concept of the house is different at the same time both traditional and modern.

Small houses under the roof of different heights are composed of three bedrooms, an office and fitness room. This architecture ensures ventilation of houses on the premises and ensure that it is sunlight. The entire interior is made with nice, bright colors that creates an easy atmosphere of relaxation. White reflects light beautifully, gives it lightness and airiness. From the panoramic windows of the house overlooks the pine park, a golf course, a patio of 80 square meters. m. with terrace, pine and juniper trees.

The construction of the house, with an ergonomic layout, used only natural materials - wood, glass, metal, ceramics, stone.
