Description

The building is conveniently situated in the historical center of Riga city. This location provides comfortable living, working and entertaining. The house stands at the crossroad of Gertrudes street and Akas street. Gertrudes street has many beautiful and peculiar buildings, each capable of impressing you with their attractive design. The buildings were made for prosperous citizens and represented the architectural styles of different periods.

Beautiful corner facade building, renovated staircase (no elevator, but it is possible to install it). Just across the street - closed and secured parking place for additional fee.

The apartment is situated in 2 levels. It is just after complete renovation, with real parquette floors, air conditioner, fireplace.

It has 4 bedrooms, living room, 2 bathrooms (shower, bathtub), and a big bonus - terrace!

Individual gas boiler will help to reduce the cost of heating.
