Description

We offer an elite 4-room apartment for rent in the Art Nouveau house. Convenient layout: 3 separate bedrooms, living room combined with kitchen, utility room and two bathrooms (one with bath and one with shower). The house and apartment are completely renovated using modern materials and technologies. Gas heating provides a remote gas boiler. Healthy and uniform climate in a room with CO2 and humidity control, self-ventilation of the apartment with recuperation. Energy-efficient 3-panel wooden windows and natural oak parquet. The apartment is equipped with high-quality appliances (electric stove, oven, refrigerator, extractor, washing machine, dishwasher.) Parking place in the courtyard is included in the price. Convenient infrastructure!
