Description

For sale is offered 3-bedroom apartment in a new project on Dzirciems. It is a long-awaited new project. It will be located in Riga's favorite Pārdaugava - a green area of Riga with well-developed infrastructure. It is close to educational establishments, shops, shopping centers, medical institutions, public transport, parks and many other places of walks.

This apartment is located on the 2nd floor of a 5-storey building.

Residential area 95,2 m²
Total area 102 m²
Area of the balcony 6,8 m²

The apartment consists of a spacious living room combined with a kitchen, three bedrooms, a corridor, two bathroom with bath and one with a shower cabin, storage room and a spacious balcony.

In a five-story house will be apartments from 2 to 4 rooms, with a total number of 74 apartments. The apartments will be offered fully finished, balconies or terraces will be available.

For additional price there are available parking spaces in the underground parking (**6000-7000euro**) and storage rooms (**2000euro**) for 3 - 4 room apartments owners

The territory is landscaped and well-organized with asphalt and paved roads, foot-paths, playground, recreational areas, greenery. The territory is lighted.

For detailed information about this offer and other apartments in the same complex, please contact us by phone or via e-mail.

We sell the property for prices from the builder!

The plan of apartment is attached to PDF.
