Description

We offer for rent an apartment in a new project in the Bishumuiza area. In total there are 9 houses in the project, between which there is a recreation area, a children's playground and ground parking. Excellent location, close to transport highways and the city center (10 min drive by car). Nearby are several small shops, Riga Plaza, CSDD, public transport stops.

The apartment is located on the 1st floor and has a spacious living room with a kitchen area, a bedroom, a dressing room and a bathroom with a bath. There is a loggia. Parking by the house.

Low utility bills.
