Description

Bright and spacious 3-bedroom apartment in the renovated house in the center of Riga.

The house is located on a quiet one-way street near the church of St. Gertrude. The infrastructure is well developed: there are numerous shops, cafes and restaurants nearby. Within 15 minutes you can reach the Old Town, central parks, shopping centers and all the most popular places in Riga. Good transport links.

Excellent layout - spacious living room, kitchen with dining area, 3 bedrooms, and a large bathroom. The layout is especially convenient for a family with two children. High ceilings. The windows face both sides - the Skolas street (sunny side) and the quiet courtyard. Central heating.

Quiet and friendly neighbors.

Parking for cars is in the courtyard, you can also park the car on the street or in any of the parking lots at a distance of 3 minutes walk.

The apartment can be divided into two small apartments, it has two entrances. Apartment plan is attached in PDF presentation.

The elevator project is under discussion at the apartment owners' association.
