### Description

We offer a unique apartment with a tower.

This spacious and bright apartment consists of a large living room with a kitchen and a fireplace, a bedroom with a large wardrobe and a bathroom with a bathtub, there is also a two-level study in the tower, a sauna with a shower, another separate bathroom, and a glazed terrace overlooking the courtyard.

The apartment is equipped with gas heating, which allows you to optimize utility bills.

In the courtyard of the house there is a closed parking lot for bicycles.
