Description

For sale is offered luxury apartment with the spacious terrace(104 m2) and amazing view to the Old Town of Riga. Apartment has two floors and comfortable planning includes:
First level - living room combined with the kitchen and dining area, separate bedroom, walk in closet and bathroom.
Second level - one more room, that might be used as bedroom or study , as well as separate bathroom.
High ceilings (3.3 m2) , panoramic windows and specially designed stairs create unusual loft atmosphere in the apartment.
Apartment is sold with full repairs and furniture. High level materials were used in renovations : parquet floors, tiles Marazzi, Laufen plumbing et.c.
Bathrooms are equipped with warm floors. Furniture from famous brands KATE, ColumbiniCasa, Natuzzi Italia.
It is possible to buy a parking on the territory of the project for 10 000 euro or rent it out for 50 euro + VAT per months.
It is also possible to use storage , located in the basement (it costs 1 000 euro).
