Description

An extraordinary residential project, the Gypsum Factory is located in an intimate green part of Kipsala Island. The location of Gypsum Factory may be its greatest amenity. The ever-changing, spectacular view of the Daugava River, the Harbor, and the church towers of Old Riga are right out your window and at your doorstep! Strategically placed on the bank of the river and simultaneously at the very center of the city of Riga, Gypsum Factory gives access to a wide range of amenities on both land and water. Kipsala is an island on the left bank of the Daugava River. It is part of the protected buffer zone of Riga's historic center, which is a member of the UNESCO World Heritage List.
