### Description

The club house of a small number of apartments is perfectly located with 150 metres from the sea and 1 km from the Concert Hall in the most luxurious and exclusive area of Jurmala.

Jurmala is famous for white sand dunes, hasteless life, dense forests and well-developed infrastructure. However, Jurmala is not only about peace and relaxation – in summer a lot of cultural events take place: exhibitions, concerts, performances, beach activities, and at night the city goes live at numerous cafes, clubs and restaurants both cosy and partylike.

Its inner size is 120 m2 plus an exclusive own roof terrace 100 m2

The territory of the house is fenced.
