Whilst offering a green, secluded and peaceful environment, Pinki is just minutes away from Riga International Airport, several large shopping centres, Jurmala's golden beaches and the bustling city centre. 3 international schools, horse riding arena, ice skating hall, biggest Golf club in the Baltic states, combined with safe and green environment really makes this place an ideal family home!

The house was finished in 2004. Over the past two years the facade has been renovated, the roof renovated, a new fence, a new larch terrace has been laid out, and cosmetic repairs inside the house were done.

On the ground floor of the house there is a boiler room, a kitchen, a living room, a guest bathroom with a shower, a spacious terrace.

On the second floor of the house are three separate bedrooms, a spacious bathroom with a bath, a balcony.

Warm floors in the kitchen and in the bathrooms. Gas boiler, city water and sewage system, a water filtration system is installed. Covered garage for one car + carport. Spacious landscaped area, apple trees and cherries planted, automatic lawn watering. Good neighbors.
