Description

We offer for long-term rent a spacious private house in the Riga district, located in a well-groomed, elite, protected village of Sunishi.

On the territory of the village paved roadway, lighting, exit/entry through the barrier.

In walking distance there is a lake where you can swim and on the shore of which you can relax with the whole family.

The village has only prestigious mansions, and the environment is family-friendly, harmonious and comfortable.

Only high-quality materials were used in the decoration of the house, and the furniture was made to order.

The house is very economical to use - the family budget will not suffer.

The house has two floors, 4 isolated rooms, well-thought-out and functional layout -

On the 1st floor living room with fireplace and dining area, spacious kitchen, bathroom with shower, pantry, boiler room and a garage converted into a cinema.

On the 2nd floor there are 3 bedrooms and a bathroom with a bath.

Additional extras:

The area around the house, as well as the facade of the house are illuminated.

Well-kept garden,

Automatic gate with remote control.

In summer, you can receive guests and enjoy the pine air

The closed territory of the village is guarded 24 hours a day,

The house has an air conditioning system - you can always create a comfortable temperature for yourself.

The fireplace in the living room will warm and create comfort in winter evenings.

Sauna.

Bonus for families with children - the village is served by a city bus directly to the city center.
