Description

Spacious 3-bedroom apartment in downtown Riga with excellent infrastructure, surrounded by banks, restaurants and cafes.

The apartment consists of 3 large bedrooms, living room, kitchen with dining area and two bathrooms.

New modern kitchen with built-in appliances, a new large built-in wardrobe and new plumbing fixtures. The apartment has an autonomous gas heating system that allows you to monitor utilities costs. Renovated genuine parquet floors.

There is an elevator in the house, renovated staircase. It is planned to repair the facade of the building.

26 km to the Jurmala, Riga airport - 15 minutes.
