Description

A fully new apartment is being offered with its personal entrance. It is located between the quiet and active centre, which allows mobile movements around the city of Riga and to spend quality time at home. Nearby there is also a fitness hall, a variety of malls, product shops, great cafes and the adorable walking parks of Riga.

When you come up the stairs and open the door, there are two apartments. When we enter the apartment, we encounter a wide premises available to easily undress in the entrance hall. Then follows living room, along with the dining area and the kitchen. From the living room you can get to a warm bedroom with a large double bed and a spacious closet and a bathroom with design tiles and high-quality plumbing.

On request, it is possible to get a parking space in the home courtyard.
