Description

For sale is offered a beautiful wooden house built in 2009. The historical facade of the house has been restored, but house has a modern and comfortable layout.

The house is located in the very center of Jurmala, in Majori, just 100 m away from the sea and Jomas street, all necessary infrastructure is available.

Beautiful land plot with pine trees creates special atmosphere, as house is located in the centre - at a distance from the street Juras, and at the same time leaving enough space to rest in the back yard.

House has following planning:

On the first floor there is a kitchen - dining room with access to the terrace and garden, living room, bedroom / study and 2 bathrooms, garage.

On the second floor there is a master bedroom with a separate bathroom, as well as three spacious bedrooms and a separate bathroom.

Wonderful offer for those who would like to enjoy all advantages of Jurmala!
