Description

We offer to buy an apartment in a new house in Asari - a unique project located right on the shore of the Baltic Sea.

The first building line, dune zone, as close as possible to the sea. The apartments have panoramic windows and a beautiful view of the white beach.

The project is of the highest level - it has an elevator, security and convenient underground parking (one place is included in the price of the apartment) are provided. There are only 10 apartments in the project. Quiet area of Jurmala - Asari, to the center of Jurmala in less than 15 minutes. Landscaped area fenced with a fence, near a pine forest.

The apartment is located in a building on the 1st floor and is offered without finishing. Bonus - your access to the front lawn, from which there is a gate to the beach. Great views from the windows! The apartment has a living room-kitchen, 3 bedrooms, 2 bathrooms. Possible to change the layout according to the needs of the new owner.
