Description

For sale a compact 3-room house with its own land on the territory of a new project, which is located in a closed, large, green area. Only high quality finishing materials and sanitary ware of European production were used in the interior. The price includes one parking space.

The facade of the house is made in a unique design and quality. Only high quality European finishing materials and sanitary ware are used in the interiors.

The project is located in a very convenient location, not far from the clinic, shops, and the center of Riga is only 10 minutes away.
