Description

The apartment is located on the 3rd floor (elevator). The decoration is of very good quality. The apartment has new household appliances, radiators, as well as new windows, iron entrance door, parquet floors. The layout is as follows: 2 isolated bedrooms, studio living room with a kitchen area, bathroom with a bath and toilet. The apartment is located in far Riga center. Near the house there is a big, beautiful park, shops, public transport stops to Old Riga and other areas, as well as big shopping center Domina Shopping within some 15 minutes walk. The house is renovated, with closed entrance and free parking in the yard. The entrance to the apartment is from the yard.
