Description

We offer for sale a two-level studio apartment after a luxury renovation. The apartment is completely new. The apartment is located in a quiet green area of Agenskalns in a renovated building built in 1910.

Autonomous gas heating in the floor with automatic temperature control, separately in the bathroom and in the apartment. All furniture is built-in. Large new Philips 65" TV with ambilight. High quality finishing materials.

Very low utility bills - 20 euros per month plus electricity and gas (in winter everything fits into 100 euros per month).

Well-developed infrastructure, there is a park, shops, cafes nearby, 100 meters to RISEBA. The center of Riga is a 5-minute walk across the bridge, or 5 minutes by car.
