Description

Apartments in the new project Library House for sale!

The project is located in Jurmala, Asari area. This area is very green and quiet, situated among private houses. Great infrastructure and means of public transport to the center of Jurmala (10 minutes drive). The seaside is just 5 minutes walk from the project.

The house has spacious, fenced territory, with 45 open parking lots and children playground. All 5 staircases have code locker. In the house there are 30 apartments in total. On the roof floor there is a guest area with bbq zone. The house is built from very qualitative materials, has own gas heating. Apartments have nice loggias or terraces as well.

In this offer, please see a 1-bedroom apartment, layout type -2. It has spacious living room, connected to the kitchen area, loggia 6 m2.

The apartment is for sale with no inside finishing.

Please contact us for more information about this wonderful project in Jurmala!
