Description

It is a spacious office designed for the big companies. On request it can be divided on two equivalent parts, where it is possible to rent only one part- which means that the rent fee will be less- 350 Euros + utility payments. If you choose this option we will offer a common corridor, kitchen and a toilet. As well you are welcome to choose which part of the office you want to rent. The major advantage of this unit is its location: it is situated in the centre of Riga, not far away from popular shop Zara. Besides, office is located in very beautiful, renovated house, with a coded lock on a door and a wide, cosy staircase. This office isn't furnished, that provides an opportunity to choose the furniture by your own and create special interior and atmosphere. In addition here you will enjoy remarkable view to the city. Quite interesting feature of this office is the special oval shape of the windows.
