Description

The house is located in Babite district, in just 1 km from the Riga borderline, Spilve village.

A well-maintained territory of 1217 m2, equipped with a beautiful gazebo and garden with rare coniferous trees.

The house has very comfortable layout: on the 1st floor there is a living room combined with a kitchen and a dining room, a large hall, a bathroom, a boiler room, a sauna (heated by wood) with a shower room and a toilet, a large garage for 2 cars (with expensive shelves).

On the second floor, there are two children's rooms with their own bathroom and a bedroom for parents with a dressing room and a large bathroom.

On the mansarda level of the house there are two clean attic rooms which can be transferred to bedroom, playing room, storage or study.

The price includes: all furniture and home appliances of a high class, chandeliers and curtains, stained-glass windows in the living room from a designer, handmade.

The house is equipped with video surveillance - expensive cameras (connected to the internet).
